Chapter Reports:

Achewon- Presented by Evan Fusaro- Achewon chapter is having it'd next chapter meeting tomorrow night 7:00p.m. at Zion Lutheran church. We have begun our unit elections. Rain date for tomorrow's meeting will be Feb. 9th at 6:30p.m.

Chief Pomperaug- presented by George Philbrick- the Chief Pomperaug chapter held a Chapter fun day at a Sound Tigers game on Sunday, January 4. Unfortunately, only 4 people outside of my troop attended. Also, there was a Chapter meeting at the First Presbyterian Church in Fairfield on Tuesday the 13th. This was held during a district roundtable, so the attendance was very high. It seems as if this strategy is working. Meeting attendance has increased to approximately 15 people since we moved the meeting date and location. We will definitely be staying with this plan for a long time. Chapter elections have also started, and have held 2 so far.

Powahay- No Rep.

Keewayden- Presented by Drew Sansevero- The chapter held a winter solstice campfire back in December which was run very well. Also the chapter had a fun day at smiles, we had a good turn out and everyone had a blast, especially with the laser tag. We are putting out a challenge to other chapters to a game of laser tag. So if you are interested in taking the challenge contact me. Also the chapter drafted requirements for their earned patch and will be voting on them at the next meeting.

Scatacook- Presented by Evan Fusaro- Unit elections are underway. One election done, approx 20 to go. We are seeing more troops with no eligible scouts this year. This past weekend was the Scatacook Klondike derby. OA members put on the Friday evening campfire. As always it was cold, however a good time was had by all.

Old Business-

2004 Lodge Budget- RA: The reason why some budgets were cut a little is because we need to use the money for other things like NOAC and etc... Your proposed budgets were suggestions that we took into account, but we tried to make each budget as fair as possible.

Winter banquet: We made a total profit of \$3944.50. \$2273.50 for Trading post and \$1671.00 from the silent Auction. Plus the \$47 from jacket orders.

Unit elections- NC: Need to push chapter chiefs to hand out election forms. I'll be in touch w/ vice chiefs. I will start visiting chapters with election forms. We need to start moving. This is serious. See you soon.

New Business-

Council Painting- RA: Bring any materials you think will be needed for the painting day. No sleepover but lunch will be served.

Hoyt Scout Project- April 17th. We need more people to attend, last year there was only one person there. Not sure what the project will be, but information will be sent out soon.

Summer Camp Program- KS: We made \$800 which we can decide what will be done on at the camp. We can either spend it on the Aqua jump for 1500 dollars, new docks for 800, and etc...
