Open Forum

Jesse Morrow- As an incentive to get dues paid earlier we could create a patch that scouts would receive if they paid their dues before a certain date. We would have to take cost into account, but I wanted to see what people think of this.

Mr. Anstett- We will be dedicating the Owaneco Campsite at the Fall Fellowship, we have invited the donors for the ceremony and they can stay for lunch.

Mr. Zarzs-Scatacook Chapter would like to make t-shirts that we could wear while we are doing community service in public. Are there any regulations/ rules on making the t-shirts?

Mr. Korin-The Hoyt campmasters were wondering if we could do some work on a few fire rings there and I was thinking we could have the Lodge Picnic there in the spring.

Lodge Chief's Corner

For the Fall Fellowship we need a lot of Brotherhood Conversions and the Communications Committee needs to send out a reminder. Also each committee needs to look at their committee interest form and call people to remind them to attend the Fall Fellowship. Also we will have national officers there so we need to get them involved. Finally, we need people to bring typed reports to the ECM and arrive on time.
