### Camp Sequassen Owaneco Lodge 313 Dock Campaign

All of the funds raised through this campaign will be donated to the Owaneco Lodge Dock Campaign to build a new set for Docks for the Waterfront at Camp Sequassen. The new set of 32 docks will replace all the existing docks at the waterfront.

As a thank you from Owaneco Lodge you will receive one Camp Sequassen Dock Campaign Flap for every \$50 donated. (Only 200 campaign flaps will be produced.)

For a donation of \$250 or more, you can sponsor one of the docks being constructed. Your name will appear on a donor plaque to being permanently displayed at the waterfront.

Come together with the rest of your brothers and help raise the funds to provide a new set of docks and waterfront opportunities for future generations of Scouts.
